90 DAYS

We are called to “be the good”. In response to God’s love and the sacrifice of His Son, as Christians, we are called to live in a way that brings honor and glory to Him. When we live up to this calling, both as individuals and collectively as churches, we can greatly impact our communities.

God loves us so much! He gives us peace and hope. He sent His Son to show us how to love and serve those around us. As we choose to “be the good” in our actions and reactions each day, we show others Jesus. We show them the love and hope we have despite the fact that we are living in the midst of a broken, sinful world.

This website and Facebook Page are intended to be a resource and encouragement for Christians and also for seekers that want to know more about the love and hope we have through Christ. There are resources available for churches by clicking on the box at the bottom of the site. New content and additional resources are being added each month!
